In addition the full Syllabus is available online.

After successful completion of the whole course, graduates are awarded a Licentiate in TCM.

The qualification is fully recognised by the Professional Register of TCM (PRTCM) the first professional body representing Acupuncture TCM in Ireland, by Guangzhou University of Chinese Medicine and by the main Health Insurance bodies in Ireland including VHI, Laya Healthcare and Aviva.

The Lic.TCM enables graduates to:

If you wish to make an application, please scan and submit your completed application form to the email address above, with a passport-sized photograph, as early, as you can as places are strictly limited. References are taken-up for all applicants. If we think you might be suitable you will then be invited to interview. The interviews are normally conducted, with a senior college teacher, via Zoom.

If you have any further questions, please feel free to contact us at the email address above or on +353 (0)87 9552139, which can be reached via WhatsApp. Looking forward to hearing from you.
